

**WILDCAT**

**1963**

# Pittsford Rural Agricultural School

## Pittsford, Michigan

### Foreword

We, the annual staff, present the 1963 edition of the "Wildcat" to the many members of the student body, faculty, and administration, without whose help it would not be possible.

We feel that as each year goes by the "Wildcat" grows better and better. It is our most sincere hope that this issue is the best yet, although it is far from fulfilling the potential of such a project.

Finally, we hope that each person that obtains an issue will be pleased and will preserve it as a reference to the past.

Article 1

Section 1

## Dedication

We, the annual staff, dedicate the 1963 edition of the "Wildcat" to Miss Bernice Kieth.

Miss Kieth has taught in and around Pittsford for a total of forty-three years. She is an alumna of Pittsford High School and received her Bachelor of Science degree from Eastern Michigan University.

This dedication is the least that can be done to honor one with such a distinguished record of service and dedication. The following poem clearly describes her tremendous devotion to the teaching profession.

"From early morn till set of sun  
Her tasks of love are never done;  
She shares our hopes, our dreams, our plans-  
Believes in us and understands;  
And even when we're far apart  
She keeps our interests at heart;  
Her life's a perfect symbol of  
Enduring and unselfish love."

## Cooks

It is well known that Pittsford has one of the finest hot lunch programs in the area. This tradition is being carried on by the ladies under their new supervisor, Mrs. Thelma Hoover.

It is an honor for the staff to have the opportunity to thank them for this service.

Edith Andre, Gladys Alleger, Bertha Burkhardt, Emma Clark, Opal Toner, Thelma Hoover, supervisor, and Mae Hale.

## Bus Drivers

Front Row: Ross Armstrong, Maurice Baxter, Beverly Alleger, Sharon Ball, Paul Carr, Frank Porter. Back Row: Junior Cox, Robert Bavin, Irving Lapham, LaVern Farrell, Richard Fierabend, George Arnold, Charles Patrick, supervisor. Others: John Marowelli and Charles Waffle.

## Janitors

At this time the drivers are responsible for making fourteen regular bus runs plus two kindergarten runs. The school has sixteen buses, two of which are spare buses.

Seven hundred thirty-six students are transported each day. The total daily mileage is about 600 miles. We feel the drivers should be commended for their fine record of service.

Cecil Goforth, Gerald Bradley, Carl Brown, supervisor, and Otto Stahl.

The Pittsford Senior band began its 1962-63 season by marching in the Michigan State Fair grand opening parade and received a trophy for its participation. They also made an appearance at the Hillsdale County Fair parade and gave a concert on the Fairgrounds. Their marching season concluded with four half-time "shows" for the home football games in which the Jr. High band also participated. We also participated in "Band Day" at the University of Michigan.

To raise money for the uniform fund, the band parents helped them put on an informal "Pop" concert held on November 3, 1962. Besides Christmas assemblies for the school, the Christmas Concert was held on December 16.

The second semester began with 24 entries from Senior, Jr.

High and Grade bands in the district Solo and Ensemble Contest held at Adrian on February 9. The entries which involved 41 students received four 1st place awards, fourteen 2nd place awards and six 3rd place awards. Tom Barr, baritone horn soloist winner in the senior division, entered the State Contest, March 23.

Other activities of the band included:

"Massed Band" festival at North Adams, February 23.

Concert, Hillsdale, March 6.

District Band Contest, Clinton, March 16.

Spring Concert, Commencement.

The Senior band will close the school year by appearing along with the Junior High band in the Memorial Day parade.

## NO MORE HOMEWORK

What student doesn't wish that he could be principal? Well, we know one!

When Pam Jones was elected president of the Student Council she had no idea she would have to take the place of the principal and answer a thousand and one questions. Should she abolish homework? Should she keep their star basketball player out of the state tournament?

Before long the entire school seems upside down and everyong is "down" on her. But somehow when the real principal returns everything seems to right itself and everything is normal again. Well...almost.

## GREEN VALLEY

Nestled away in the California hills is Green Valley. For a hundred years it has been inhabited by the Berry family. Grampa Berry made a claim to it in the Gold Rush days. Now they are about to lose it to Tobias J. Everheel.

Strangely, this valley has strawberries as big as a fist, flowers as high as the house and a cow that gives a strange kind of milk. Anyone who drinks it suddenly sees people who died years ago.

These people come to the aid of the "Live Ones" and just in time to save the Green Valley.
